

CUSTOM INCENTIVE WORKSHEET

CERTIFICATIONS AND SIGNATURE

Submission of this form verifies that the applicant has provided accurate information to participate in the program. Applicant further certifies that:

1. All rules and requirements of this program have been followed.
2. Applicant is a non-residential member of an electric cooperative member of Wabash Valley Power Association.
3. The rebated equipment has been installed and is operational prior to submission of this application, unless this is being submitted as a pre-approval application.
4. A member electric cooperative of the Wabash Valley Power Association is providing the electric service to the installation site address listed on this application.
5. Applicant understands and agrees that neither Wabash Valley Power Association nor its member electric cooperatives assumes any responsibility or liability arising out of or related to applicant's participation in the POWER MOVES® program.
6. Applicant will allow inspection of the rebated equipment (if requested).
7. Applicant understands applicant will not receive a rebate if applicant's contractor fails to provide the requested documentation for the equipment installed in the applicant's facility.
8. It is understood that:
 - ✓ Incentives cannot exceed:
 - \$50,000 per calendar year per C&I member. Over cap requests will be considered but are not guaranteed, and should be made in writing to the POWER MOVES® Program Manager.
 - 50% of the project's cost.
 - ✓ Paybacks must fall between 1-7 years.
 - If the calculated incentive will provide the member a project cost payback of less than 1 year, the incentive will be reduced to achieve a 1 year payback.
 - If the project cost payback is greater than 7 years, no incentive will be paid.
9. Projects will need to follow basic POWER MOVES® specifications as listed in the other applications and will be based on the type of custom project. Contact your energy engineer for specific requirements for your project.
10. If you change equipment from what was pre-approved, we reserve the right to reduce or deny an incentive amount.
11. Self-installed labor cannot be included in the project cost.

If signing in a capacity other than an individual capacity, the individual signing below hereby represents and warrants that s/he is duly authorized to execute and deliver this application on behalf of the applicant.

PRE-APPROVAL SIGNATURE

Signature*:			
Print Name:		Date Submitted:	

* A pre-approval signature authorizes program staff to complete the energy savings calculations required to determine a rebate. This does not obligate a customer to implement the proposed project.

FINAL APPLICATION SIGNATURE
